

Shinewater Primary School

"Together We Shine!"

Art at Shinewater

We are proud to say that the school is currently working towards the Artsmark. This is an award given to schools who can prove that they have a creative, exciting and engaging curriculum, particularly in art, music, dance, drama and design and technology. It takes two years to complete and one year has already flown by. In this year we have had fun after school clubs, the Art Club made the amazing recycling display in the library, parents in to share their knowledge, art scholars visiting other schools, visits to the Towner Art Gallery planned, an Art Council set up and a transition project organised alongside Causeway Secondary School.

We are excited to welcome Tom Goulding, a graffiti artist into school on 16th December. He has already started some work with the Year 6 children. The Shinewater logo has disappeared from the large wall on the playground and it has had a fresh lick of paint. This is in preparation for the artist and some of our children to liven it up with some new art. We really look forward to seeing what it will look like.

Community Information...

The Towner Art gallery is situated next to the Congress Theatre near Eastbourne seafront. It offers displays of artwork by different national, international and local artists, a café, gift shop and a cinema. There are often sessions run specifically for children in the holidays and for local schools. Have a look at their website and sign up for their newsletter to hear about all upcoming events.

Acceptable Use Policies...

Mrs Boddy and her digital leaders have been working hard to create acceptable use policies for all children in the school. An Acceptable Use Policy is an important document which governs pupils' use of the internet at school and when working at home. It promotes safe and responsible use of the internet. The digital leaders decided to create Policies that were tailored to year groups as they felt the content would need to be different for the varying ages of children. Therefore, there are 3 different policies for EYFS, KS1/ LKS2 and UKS2.

Be SAFE Online

- 1 I only go online with a grown up
- 2 I am kind online
- 3 I keep information about me safe
- 4 I tell a grown up if something online makes me unhappy

EYFS

Stay Safe Online! Stay Safe Stay safe

You must always make sure you have signed out of your technology.

I will keep my personal information and passwords safe.

RESPONSIBILITY

I must respect the school's equipment.

We respect everyone!

ResPECT

I will not take or distribute images of anyone without their permission. Always be kind. Never cyberbully!

I will be polite and responsible when I communicate with others.

I will not use strong language, aggressive or inappropriate language.

Always think before posting a picture or video.

I will be aware of 'stranger danger' when I am communicating on-line.

Upper KS2

To make them more meaningful the policies also have a poster to reinforce the content. Children are discussing these in their Computing sessions and we will send them home for you to see.

Christmas is coming to Shinewater

The way you watch Christmas performances this year will be a little different. Nursery, Reception and Year 1 are currently hard at work rehearsing their singing which will be videoed and sent out virtually to the parents in those classes. These videos can then be shared within their household. Dates will be announced soon!
